- 15.1 The fees payable by each Signatory, including the Annual Fee, shall be used to meet the management and administrative costs of the Association and the costs of the management, administration, updating and further development of the Principles.
- 15.2 Each Signatory shall bear its own costs and expenses in relation to the adoption and implementation of the Principles.
- 15.3 Each Signatory acknowledges that the costs will vary, particularly in relation to the updating of decarbonisation trajectories to reflect new IMO studies (expected approximately every five years).
- 15.4 Each Signatory acknowledges that to meet such variable costs the Annual Fee will be:
- (a) variable;
  - (b) the same amount for every Signatory in any one Financial Year;
  - (c) based on the budget prepared by the Secretariat and the Steering Committee setting out categories of expenditure, including an amount for contingencies, and presented to Signatories at the relevant Annual Meeting; and
  - (d) approved by the Signatories in accordance with the procedures in Clause 5.3(c).
- 15.5 The Annual Fee is payable by the Signatories whose names appear on the list of Signatories on the Association's website as of 31 December of the preceding year. The Annual Fee is due annually in one installment in respect of each Financial Year and shall be paid no later than the

end of the second quarter of the relevant year and is non-refundable in the event that a Signatory ceases to be a member of the Association.

- 15.6 If a Signatory ceases to be a member of the Association or fails to comply with its obligations under this Agreement or the Governance Rules the Signatory is not released from its obligations to pay the Annual Fee. Any outstanding payments for the relevant year will fall due immediately upon a Signatory ceasing to be a member of the Association.
- 15.7 If a Relevant Institution becomes a member of the Association during the year it shall pay, upon becoming a member, the Annual Fee and Signatory Fee in full.
- 15.8 The amount of the Signatory Fee may not be changed without the approval of the Signatories in accordance with the procedures in Clause 5.3(c).
- 15.9 Any surplus funds shall be carried forward to and used in the following year(s) in order to meet, amongst other things, costs incurred in connection with the updating of decarbonisation trajectories as described in Clause 15.3, which will be reflected in the relevant budget and, where possible, a reduced Annual Fee.
- 15.10 Expenditure should be within the relevant budget presented to the Signatories at the Annual Meeting or as otherwise approved by the Steering Committee or the Signatories as appropriate.
- 15.11 Funds will be held in a bank account in the name of the Association. The currency of the bank account will be Euros. The annual report will be prepared in Euros. Invoices to Signatories will be issued in Euros.
- 15.12 Changes to the authorised signatories for any bank account must be approved by two members of the Steering Committee, including the Chair and the Vice Chair.
- 15.13 The Association's annual reports shall be audited by a Danish state-authorized public accountant or registered public accountant elected at the Annual Meeting for one year at a time (the "**Auditor**"). The Association's Financial Year runs from 1 January to 31 December and the first Financial Year of the Association shall commence on the date of formation of the Association and end on 31 December 2019. ## **17 THE ADVISORY**

17.2 The scope of work and fees payable to the members of the Advisory shall be agreed by the Steering Committee following submission by a relevant third-party entity fulfilling the role of the Advisory of a services provision proposal agreed by the Steering Committee, subject to the approval of the Signatories of the fees as an item of the budget as specified in Clause 5.3.

## **19 DISCLOSURE OF INFORMATION AND COMPLIANCE WITH LAWS**

19.1 Subject to compliance with the other provisions of this Clause 19, the sharing of ideas and experiences between the Signatories is encouraged both to facilitate the implementation of the Principles and to develop them further in accordance with the aims of the Association. However, when sharing information, each Signatory recognises the need to comply with all relevant applicable laws and, in particular, those relating to client confidentiality and anti-competitive practices.

19.2 Each Signatory shall ensure that the Principles and any discussions or other contact with the other parties are not used in any way that may breach any relevant applicable law relating to concerted practices, agreements or exchanges of information that may restrict competition or anti-competitive practices.

19.3 Each Signatory shall comply with all relevant applicable laws relating to client confidentiality in its implementation of the Principles. Each Signatory shall comply with all relevant applicable data protection laws (including the General Data Protection Regulation (EU) 2016/679) in relation to the use, processing and/or transfer of personal data of any individual that it receives in connection with the management or administration of the Principles and the Association.

- 19.5 Each Signatory shall ensure it has in place internal procedures that reflect its obligations under this Clause 19.

- (b) The parties shall ensure that all persons are made aware, prior to any disclosure, of the confidential nature of the Confidential Information and the contents of this agreement, and that such persons are bound by confidentiality with respect to the Confidential Information.
- (c) The non-disclosure provisions of this agreement shall survive the termination of this agreement, and parties shall hold Confidential Information in confidence until the information no longer qualifies as confidential.
- (d) The parties shall maintain adequate security measures to safeguard Confidential Information from unauthorized access, disclosure, use, and/or misappropriation.
- (e) Obligations concerning Confidential Information shall not apply to any information that: is or becomes generally known other than through a breach of this agreement, was previously available on a non-confidential basis, the parties agree in writing that the information need not be kept confidential, or the information is required by Law or in any legal or governmental proceedings to be disclosed until the information is no longer considered confidential.

## **20 OTHER PROVISIONS**

- 20.1 This Agreement, together with the Principles and the Governance Rules, and any other documents which by their terms are expressed to be supplemental to it, even if not made between all parties to this Agreement, constitutes the entire agreement between the parties regarding the subject matter of this Agreement and supersedes all earlier agreements of any kind regarding the same, all of which (except in the case of fraud) are hereby terminated and shall cease to have effect in all respects, and the parties confirm that there are no collateral or supplemental agreements relating to this Agreement other than those (if any) executed contemporaneously with this Agreement.
- 20.2 Each party acknowledges that it does not rely on, and it has not been induced to enter into this Agreement by, any warranty, representation, statement, agreement or undertaking of any nature whatsoever, other than as are expressly set out in this Agreement. Each party irrevocably and unconditionally waives any right it may have to damages or rescission or any other remedy in respect of any misrepresentation, warranty or undertaking, including by way of a claim or defence based on estoppel by convention, representation or otherwise, not contained in this Agreement or any collateral or supplemental agreement unless such misrepresentation, warranty or undertaking was made fraudulently.

- 20.3 Subject always to Clause 20.4, in its sole and absolute discretion, any party may waive (in whole or in part) any provision of, or any of its rights under, this Agreement, and may do so unconditionally or subject to any terms which it thinks fit. Unless specifically provided otherwise, the rights and remedies of any person under or pursuant to this Agreement are cumulative, may be exercised as often as such person considers appropriate and are in addition to its rights and remedies under the general law.
- 20.4 Any variation or waiver of this Agreement shall be void for all purposes unless:
- (a) subject as provided below in this Clause 20.4, in the case of a variation it is agreed to in writing or otherwise approved by the relevant number of Signatories as set out in Clause 5.2(b) and (c) (as applicable); or
  - (b) in the case of a waiver, it is set out in writing signed by or on behalf of the person granting the waiver.
- 20.5 Without limiting the generality of Clause 20.3, no party shall lose, or be precluded (permanently or temporarily) from exercising, any right or remedy which is conferred on it by this Agreement or any right or remedy which it has in connection with this Agreement under the general law as a result of any delay, acquiescence or lack of diligence on its part in seeking relief or by any act or course of conduct by it which would otherwise imply that it was affirming this Agreement (or a related agreement) after a breach by one or more of the other parties, nor shall any single or partial exercise of any right or remedy preclude the exercise of any other right or remedy.
- 20.6 If any term or provision of this Agreement is, or becomes, invalid, unenforceable or illegal, in whole or in part, under the laws of any jurisdiction, such term or provision or part shall to that extent be deemed not to form part of this Agreement, but the validity, enforceability or legality of the remaining provisions of this Agreement shall not be impaired.
- 20.7 This Agreement shall have effect as a deed from the date of this Agreement.
- 20.8 This Agreement may be entered into in any number of counterparts and by the parties to it on separate counterparts, each of which when so executed and delivered shall be an original but shall not be effective until each party has executed at least one counterpart, but all the counterparts shall together constitute one and the same instrument.
- 20.9 Nothing in this Agreement shall create a partnership between the parties hereto or any of them.
- 20.10 If any of the provisions of this Agreement are inconsistent with or in conflict with any of the provisions of the Governance Rules then the Signatories shall procure that the Governance Rules are amended to conform to the provisions of this Agreement, and the Signatories shall not, to the extent permitted by law, exercise any rights conferred on them by the Governance Rules which are or may be inconsistent or in conflict with this Agreement.
- 20.11 This Agreement is made for the benefit of the parties hereto and their successors and permitted assigns only and is not intended to benefit, and no term thereof shall be enforceable by, any other person by virtue of the Contracts (Rights of Third Parties) Act 1999.
